Community Organizations & Partners

We are excited to host a number of community organizations and partners to offer the opportunity for students to learn more about potential career paths available to them with a language degree. The Lincoln community is filled with a vibrant tapestry of unique languages and cultures, and our hope is that students will engage with these organizations and become inspired by all of the possibilities they bring.

Please stop by our "Community Room" in the Regency Suites A, B, & C in the Union to connect with these incredible groups:

Asian Community & Cultural Center
