**Department News**

**EMPTY FRIDGE**

Please remove ALL items from the fridge and freezer by Friday, May 16. We will be defrosting and cleaning both, all items left after this date will be thrown away including any reusable containers.

**Summer Office Moves**

The Dean's Office is having everyone move from the offices on the 12th floor. We will be moving those offices throughout the 10th and 11th floor. Due to these changes we are asking all GTA’s and lectures to please remove as many personal items and clean out their offices as much as possible before the end of the semester.

If your office is being vacated for a professor Shannon will let you know via email. However, due to the complicated nature of this move even if you do not receive this notice we may need to move your office at a later date, please help us make this huge project as smooth as possible.

If you need supplies please let the office know:
- Boxes
- move the recycle bin to your office
- rolling carts to help load things in a car
- you can bring any confidential papers to the office for shredding

This will be the last newsletter for the summer. Newsletters will continue at the start of next semester.
